

Dear Harmony School of Technology Parents and Community,

Greetings! I am Celil Basol, your Principal at Harmony School of Technology. On behalf of the staff at HS-Technology, I am happy to welcome you to the 2018-19 school year! I was principal at SST schools for the last two years and before that I worked at Harmony Public Schools (Harmony School of Discovery and Harmony School of Excellence) for 9 years as science teacher and Assistant Principal

I am looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he/she:

- 1) Attends school daily and arrives on time, ready for the day's learning experience
- 2) Completes all homework assignments given by teachers
- 3) Reads daily to develop a love for reading and to improve literacy skills
- 4) Shares school experiences with you so that you are aware of his/her school life

It is my goal for this year to improve the relationships between the staff and parents, which will include better communication amongst us. I eagerly anticipate getting to know our new students and parents and learning about your vision and goals for our school. What is important to you about the school? What do you want to learn more about? What are we proud of? What do we want to work on?

I believe that collaboration fosters ownership of a rich school culture. Supporting our kids to do well at school, and in their lives, is the center of our work. I am honored to have the opportunity to serve this community and will work hard to gain your trust and respect as your principal.

I hope to have a wonderful school year for the 2018-2019 and I look forward to working with all of you! Below is contact information for my administration team and myself. Please feel free to contact us if you have questions or concerns.

Sincerely,

Celil Basol, M.S. M.Ed.
